❖ For all mammogram exams, bathe or otherwise carefully cleanse your breasts and underarms before your exam. Be careful to remove all deodorant, perfume, powders or preparation of any sort in the underarm areas of your breasts. You will find it more convenient to wear a blouse with slacks or a skirt, rather than a dress. If you have had a mammogram at another facility please bring it with you or request that it be sent to us. Allow approximately 45 minutes for your exam.

★ For biopsy procedures, please do not take any aspirin or blood thinners for 10 days prior to your appointment. Allow approximately 1 hour for your exam. Plan to take it easy for the day of and the day after your biopsy.

☉ Please call our office if you have a pacemaker, brain aneurysm clip, inner ear implant or weigh over 300 lbs.
